

## LMAA APPOINTMENTS AND AWARDS 1983-1996

In 1983, the Association started to ask Full Members to provide information about the number of Appointments received and Awards published.

The figures in respect of the total number of awards and references have been adjusted according to formulae applied to reflect the fact that the same arbitration reference and award is likely to appear in the figures provided by more than one LMAA arbitrator where the tribunal is made up of more than one arbitrator.
